INSTALLATION DINNER

Congratulations to the 2010 Board of Directors that were installed on Saturday, January 23rd by our "MC," San Diego County Board of Supervisors Greg Cox. Greg and Chula Vista Mayor, Cheryl Cox presented out-going President Dr. Brian Tanaka with proclamations declaring "Dr. Brian Tanaka Day" in all of Chula Vista and San Diego County and the BBPA recognition plaque for service. Dr. Tanaka presented Randy Bellamy with his President's gavel ready to chart the course in 2010. Randy's focus on 2010 is working together on increasing membership, continuing with working on successful events that bring our community together and bringing back our Bonitafest Parade. Our dear Pat Dolan's retirement on January 1st as Executive Director was celebrated by all and new Executive Director, Carri Long was introduced.

PRESIDENT'S MESSAGE

It was great to see so many members and guests at our January luncheon. We welcomed 2 new/returning members at the luncheon, Luis Alcala, now w/Farmers Ins., and Jose de la Garza w/California Bank & Trust. I'm glad to have these outstanding members in the BBPA. Everyone, let's keep the membership effort going! We've got some great programs planned for the 1st half of this year, why not plan on bringing a guest to our next meeting?

Mayor Cheryl Cox gave a comprehensive report on Chula Vista. The city's budget is tight but it's wonderful to see the community coming together to protect beloved assets like the Nature Center and organizing to celebrate Chula Vista's 100th anniversary. Thank you to the mayor and her husband, Supervisor Greg Cox, for their work at our Installation Dinner last month. Greg did an outstanding job as MC and both he and the mayor presented proclamations to our 2009 president Brian Tanaka and recently retired exec. director, Pat Dolan. I appreciate their support. Finally, a reminder to get involved in planning one of our events this year. The BBPA sponsored events are part of what makes us a community. Money we bring in goes toward scholarships for our local high school and community college students, helps support the Safety Center, Miss Bonita program, and other programs in our community. We've been putting on our events for years, but they don't get organized on their own and we are always looking for ways to keep them fresh. We could use your help and ideas! Thank you.
