## PRESIDENT'S MESSAGE

It's hard to believe that November is here and Thanksgiving is upon us! Let us take time during this month to reflect and give thanks to all who have touched our lives this past year and beyond.

I would like to say “thanks” to everyone involved with the BBPA from the Executive Director Pat Dolan, to the Executive Board, and the Board of Directors for all of your dedication that you have shown me this year. Also “thanks” to all of our members for being a part of our great organization and helping us to achieve the goals that the BBPA sets out to accomplish in supporting our community, businesses, and organizations. The BBPA would not exist without your support.

A special “thanks” to those involved in the Public Services that keep our community safe including the Police, Sheriff, CHP, and Fire/ Paramedics Departments and to all of the men and women serving in the military in helping to keep our country safe.

Finally, a heartfelt “thanks” to my family including my beautiful wife Maria and my wonderful kids Brendan and Madeline for all of your support in allowing me to be the best husband, dad, dentist, and BBPA President I could be.
